Elemente de sistem

System of elements

Design modern pentru un spațiu de locuit autentic
Contemporary design for authentic living space

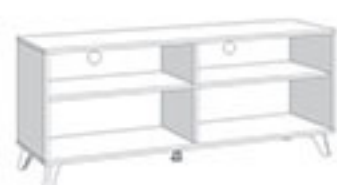

Sistemul de elemente pentru amenajarea camerei de zi UMBRIA se caracterizează prin eleganță și linii de design reduse, în timp ce decorul de stejar gri, îmbogățit cu detalii funcționale-decorative negre, conferă autenticitate elementelor și face din colecție o alegere modernă pentru orice spațiu de locuit contemporan. Valoarea utilă a elementelor colecției UMBRIA este evidențiată în special de organizarea practică a rafturilor și sertarelor, precum și de poziționarea spațială ridicată, datorită picioarelor înalte ale elementelor. Sistemul de elemente UMBRIA pentru amenajarea camerei de zi este alcătuit din 6 elemente. Sistemul de elemente UMBRIA permite adăugarea de elemente de iluminare LED.

The system of elements UMBRIA for furnishing the living room is characterized by elegance and reduced design lines, while the gray oak decor, enriched with black functional and decorative details, makes the collection a modern authentic choice for any contemporary living space. The use-value of the UMBRIA collection elements is especially emphasized by the practical organization of shelves and drawers, as well as the elevated spatial positioning, thanks to the high legs of the standing elements. The system of elements UMBRIA for furnishing the living room consists of 6 elements. With the system of elements UMBRIA, there is a possibility of adding LED lighting.
